

Dear Family and Friends,

As part of my service work during high school, I have chosen to volunteer for the Beauty Foundation for Cancer Care, a non-profit 501(c)(3) organization who provides funds directly to families fighting cancer.

When people are dealing with cancer, they may often miss work, have added medical and living expenses, or may fall behind paying their bills since insurance does not cover everything. The Beauty Foundation helps provide funding to alleviate some of the financial burden for daily necessities such as rent, utilities, food and medication, hiring a babysitter, and other bills associated with treatment.

### **Would you like to help me support their mission?**

A small donation of just \$5, \$10, \$20, or any increment, will enable the Beauty Foundation to continue their endless mission to provide monetary grants and grocery gift cards for cancer patients.

Additionally, the Beauty Foundation organizes their largest annual gala, Beauty Ball, to create awareness and raise funds to help support cancer patients. Would you, or know of a friend with a business, like to become a Beauty Ball sponsor or buy an ad in the evening's journal? There's also a silent auction that you can donate a new gift item, sports tickets, or even gift cards.

If you prefer to make a monetary donation, the Beauty Foundation accepts checks (made out to "Beauty Foundation") or you can go their website to donate by credit card. No amount is too small, your contribution will make a big impact!

Visit [beautyfoundationnj.com](http://beautyfoundationnj.com) to learn more and donate. All donations are tax deductible.

Thank you for your support! Together we can help families fighting cancer.

Sincerely,
